Nature Of Opinion

Docket Number: E-01461A-15-0363

Docket Position: Against

I am a senior citizen on a fixed income. The US Government Social Security Administration has deemed that there should be NO cost of living increase in social security payment; Therefore, why should ANY public utility be granted a rate increase unless the Government recognizes a true cost of living increase? Public utilities should abide by the same economic controls under which the customers they serve are bound.
